ZION YETI 6/5/4 STEAMER WITH BUILT-IN HOOD CHEST ZIP WETSUIT

Conceived in the depths of a long, cold PNW winter this beast has eluded man the world over for years. Through forest and stream we tracked and grappled for days. We came out on top, and now wise to it's secrets have the most cutting edge sheath for the iciest of realms. THE YETI 6/5/4 with Built-in Hood features:

- 6mm through the core chest and back. 5mm lower leg. 4mm arms
- GBS construction with 100% S Seal External Liquid Taping
- 100% superstretch Japanese limestone based neoprene. Warmer and kinder to the environment than regular neoprene
- 50% Internal Pure Yeti Wool Lining / 50% Silk Touch External Jersey – Bamboo Charcoal Internal Jersey
- No mess about easy access chestzip system.
- Glideskin neck
- Attached hood with internal Yeti wool
- Interior wrist and ankle grips to prevent the awkward slide
- Tradie-Approved keystack
